Agriculture and plant protection
Scientific-Practical Journal

1 (86)

January - February 2013

Periodicity - 6 Issues per year

Published since 1998

IN THE ISSUE

On the topic of day

- ✉ Soroka S.V., Soroka L.I., Yakimovich E.A., Korpanov R.V., Kabzar N.V., Stashkevich N.S., Kissel I.I., Vasilishina O.Yu., Karatay T.A., Kren A.V. Dynamics of winter grain crops weed infestation and peculiarities of a chemical weeding in spring

3

Agrotechnologies

- ✉ Koptik I.K., Semenenko M.V. Winter soft wheat breeding in Belarus
- ✉ Shelyuto B.V. Cultivation of common fenugreek (*rigonella foenum graecum* L.) in Belarus
- ✉ Nadtochaev N.F., Meleshkevich M.A., Volodkin D.N. Corn reaction to the term of sowing at different heat supply
- ✉ Avramenko M.N., Bushueva V.I., Zhuravsky A.S. Power and economic efficiency of goat's rue variety samples for fodder and seeds

8

11

16

21

Agrochemistry

- ✉ Vildflush I.R., Mishura O.I., Glatankova I.V. The efficiency of new forms of micro fertilizers application and growth regulators application in a crop rotation link
- ✉ Bulavin L. On use of physiologically active substances while winter rape growing

24

29

Plant protection

- ✉ Pryshchepa I.A. Complex of measures on greenhouse tomato protection against pests and diseases by the intensive technology of crop cultivation

31

- 36 ↗ *Budevich G.V., Shashko Yu.K., Kadyrova M.V., Ermolenko N.L.* Creation of infectious backgrounds taking into account the competitive pathogens relations of grain crops and leguminous grasses
 - 39 ↗ *Supranovich R.V.* Apple orchard protection against weed vegetation with the herbicide terrsan
 - 43 ↗ *Boiko S.V., Slabozhankina O.F.* Application of an insecticide pyrinex super against a complex of pests in grain crops
 - 46 ↗ *Kolesnik S.A., Stashkevich A.V., Ratskevich T.I.* Herbicide titus plus and steadfast on corn yield protection

 - Flax production**
 - 52 ↗ *Bachilo N.G., Saveliev N.S., Kulmanov O.A.* Influence of spring tillage and methods of sowing on fiber flax yield and soil fertility

 - Sugar beet growing**
 - 55 ↗ *Polishchuk V.V., Adamenko D.M., Doronin V.A., Slivchenko O.A.* Evaluation of sugar beet forms and hybrids CMS components productivity depending on seed storage time

 - Vegetable growing**
 - 57 ↗ *Opimakh V.V., Opimakh N.S.* Table beet resistance to bolting
 - 60 ↗ *Stepuro M.F., Botko A.V., Rassokha N.F.* Yield and time of greenhouse tomato fruits entering depending on plants formation and fruits number normalization in a raceme

 - Information**
 - 64 ↗ Thesis defence
 - 65 ↗ *Nemkovich A.I.* DISOLVIN ABC - microfertilizer for pre-emergent treatment (incrustation) of agricultural crop seeds
 - 67 ↗ *Maiseenko A.V.* – 60 years old
- .. – 60
